FINDING US

From Los Angeles: Take Interstate 5 North to Highway 99N to Bakersfield. In Bakersfield, take the 178 East exit to Lake Isabella (approx. 50 miles). Part of 178 is curvy, please drive safely. From Lake Isabella, take the Highway 155/Kernville exit towards Kernville (approx. 10 miles). Once in Kernville, go over the bridge and Sierra South will be on the right side with a yellow kayak on top of the store.

From the San Diego/Inland Empire: Take Interstate 15 N and Hwy 395 N to Inyokern, where you will turn onto Hwy 178 W. You will connect with Hwy 14 South for a short distance before continuing on 178 toward Lake Isabella. After traveling for approx. 30 miles on 178 W, you will come to a big Kernville sign. Normally, you would turn right here onto Sierra Way (west of Weldon) around the northeast side of Lake Isabella. However, this shortcut is temporarily closed for major road repair. Instead, continue on 178 W to Lake Isabella and around the west side of the lake on Hwy 155 through Wofford Heights to Kernville. Once in Kernville, cross over the bridge, and Sierra South will be on the right with a yellow kayak on top of the store.

Parking: Frandy Park next to Sierra South provides public parking for a fee. Some additional space may be available in front of our store or on side streets. Please do not park at someone else’s business.

TRAVEL INSURANCE
We recommend you supplement personal insurance with travel insurance. Cancellation initiated by you may result in substantial loss of fees paid. Vacation insurance protection protects against the loss of deposits in the event you must cancel because of unforeseen circumstances. Optional Travel insurance is available at www.travelguard.com.

CANCELLATIONS
You may cancel 45 or more days before your Sierra South trip date and receive a full refund less a $25 processing fee per person. Cancellations made 44 days or fewer before trip date are non-refundable. If you must cancel, try to find a friend to take your space. All trips go rain or shine.

However, we reserve the right to alter or cancel a trip/class due to high- or low-water conditions, other such uncontrollable situations, or insufficient reservations. Only in the case of cancelled trips are trip fees refundable. Upon approval by our main office, refunds will be sent via mail. Refunds cannot be granted by guides, nor can refunds be given if you leave a trip or class early for any reason. Sierra South is not liable for other costs incurred in association with a cancelled trip. We suggest trip insurance such as Travelguard.com to cover unexpected situations.

RESPONSIBILITY/LIABILITY
All of Sierra South’s trips and classes involve physical activity and include certain elements of risk. We make every effort to run our trips in the most professional and in the safest manner possible. However, we can not guarantee your safety. Trip participants should understand that river trips involve known and unknown risks. We do not assume liability for personal injury or deaths. It is YOUR responsibility to evaluate your level of fitness and to select a trip or class which is appropriate for you. Seek medical advice before your trip if you question your physical condition.

Sierra South assumes no responsibility for vehicles and/or contents of vehicles parked during the trip. Everyone will be required to sign a release of liability and assumption of risk form before departure. Minors under 18 not accompanied by their parents must bring a release form signed by their parent or legal guardian. Because of the risks associated with river trips, we urge all trip participants to supplement their own insurance with travel insurance.
